

Model: HC-382

6 Inch Hot/Cold Angle Strip Cutter

With a 10.75 inch blade and adjustable angle, there's not much this machine can't do. Fully automatic and easy to operate, will cut the lightest ribbon or the heaviest webbing. With the 10.75" knife you are able to cut 5 rolls of 2 inch webbing at the same time or cut 6" material at any angle, up to 45°.
