

Features

- ▶ High flexibility for many different operations on medium materials
- ▶ High seam quality thanks to low thread tension values
- ▶ Quiet low-vibration run even at top speed
- ▶ Very good feed properties with a very low sewing foot pressure result in optimum, smooth seams
- ▶ Fresh oil hook lubrication with precision adjustment - no soiled materials
- ▶ Minimum material displacement due to the optimum needle bar cinematics (straight needle entry)
- ▶ 918-U: Mechanical switch-over from single to 3-stitch zigzag

Specifications

- ▶ Max. speed: 5,000 s.p.m.
- ▶ Max. stitch length: 4.5 mm
- ▶ Max. zigzag stitch width: 10.0 mm
